dogado

An Alitrans Family Company

What’s the most important factor in a successful delivery?

People.

Prompt Attention

Have questions about your order or need an update on the status of your shipment? Our representatives are ready to assist you 24/7/365.

People make the difference.

Dogado was founded by three professionals with extensive experience in the shipping industry. Since its inception in 1988, it has been a point of reference in “special cargo”. In addition, to strengthening and diversifying its activities, **Dogado** developed a 360 shipping service. Today **Dogado**’s knowledgeable staff provides expert consultation and service for shipment to any place in the world, no matter how remote.
